Dear Madam:

The Medallic Art Company has offered to strike a medal, designed for your Association by Mr. Albert Laessle, if we can secure your permission to have this done.

This offer of the Medallic Art Company is in the interest of having our Collection of medals by American artists as nearly complete as possible; and permission to have one or more copies struck is usually granted readily by those responsible for respective medals.

We shall be very glad to have a copy of the medal of your Association, and trust you will see your way clear to granting our request.

Very truly yours,

Curator
